

## **Cash prizes to be awarded for Original Case Studies!**

“Do the Write Thing” is a new writing contest in support of the Michigan High School Ethics Bowl. The Bowl is a one-day judged tournament, involving students from the Southeastern Michigan area who compete for the state championship and a place at the annual National Ethics Bowl. Student teams participating in the Bowl make presentations based on case studies that stimulate them to examine and share ideas about complex ethical issues.

We enthusiastically invite all interested Michigan undergrads to write an original case of 500 to 800-words, highlighting a real world ethical dilemma or current ethical issue that would have special relevance to Michigan high school students.

The winning case submission will be featured as one of the case studies in this year’s Third Annual Michigan Bowl. The grand prize winner will receive \$300, with \$100 going to the second-place winner.

So...“Do the Write Thing,” and create a winning case study to support Michigan high school students interested in philosophy!
